Experience the South

Southerners love to celebrate their favorite foods and nowhere do folks like food or celebrations more than in Trigg County, Kentucky. For 34 years, visitors have been helping us celebrate our favorites. Famous and infamous have celebrated with us during the second weekend in October. This year the festival takes place October 14-16. Help us celebrate!

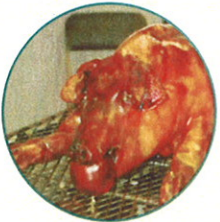

Come for the Country Ham

Country Ham is what Trigg County is famous for. The Country Ham is so famous that it is in the Guinness Book of World Records for the largest Country Ham Biscuit! On Saturday morning, you can watch history in the making and then take a bite of this world record tradition for yourself. Enjoy over 200 vendors from all kinds of food to novelty booths to "Artisan Alley"; antiques, carnival rides, petting zoo, games and fireworks. Come sit, relax and listen to original music at the "Real Country Renaissance Stage" while you eat a funnel cake, ham biscuit or other savory foods cooked here.

Stay for the Hospitality

Come and enjoy the "county fair" feel on a larger scale. We'll have contests that include decorated pumpkins and a very large log to guess the weight. Hopefully this will bring back some fond memories. Stroll through historic downtown's antique and gift shops and don't forget the Janice Mason Art Museum. Be sure and check out our "Award Winning" Quilt Show. We have our Trigg County Country Ham Festival Cookbook for all to purchase as a nice keepsake of our southern hospitality.
